

POSITIVE COVID-19 CASES: MANDATORY ACTION MEASURES

This document is intended for those passengers who have a positive result of the test carried out for the detection of SARS-CoV-2.

It is important that you understand that you must comply with the mandatory measures indicated by the Spanish Authorities to prevent the spread of the virus to other persons from the moment you are receiving this result.

It is important that you leave the airport facilities, manage your transfer to a place of confinement, contact your doctor and follow his or her instructions.

It is very important that you inform those who live with you and people with whom you have had a close contact that you have tested positive for Covid-19, so that they can begin the isolation. In this way, you are helping to prevent the transmission of the virus.
